

Westside Veterinary Hospital

Boarding Admission

BOARDING POLICIES

- We want to ensure that your pet remains happy and healthy while in our care. If we do not have documentation of current vaccinations, we will provide these services at an additional charge prior to boarding.
- Canine vaccinations required for boarding include: Rabies, Distemper/Parvo Combination, and Bordetella
- Feline vaccinations required for boarding include: Rabies and Distemper Combination
- In order to keep your pet comfortable and all pets safe from exposure, we will treat any parasites noticed on your pet.
- Please make financial arrangements with a receptionist in advance if your pet will be picked up on the weekend or by someone other than yourself.
- All reasonable precautions will be used to prevent any injury or illness.

Client Name/Form Completed By: _____

MEDICAL CARE

If an animal becomes ill while boarding, we will attempt to call the owner and/or emergency contact provided above for consent of treatment. However, if they are not available or cannot be reached and the pet needs emergency treatment, the hospital is authorized to treat the pet. The owner will assume full financial responsibility under the following guidelines:

Please choose only one option and sign.
